

CLOSING NUMBER (FINALE) REHEARSAL SCHEDULE

NEW THIS SEASON, we will be trying a new approach to learning choreography this season for the finale in hopes to reduce weekends in studio. This season I will be sending out videos with choreography for dancers to learn at home and then only hold 2 in studio rehearsals closer to the recital. Videos will be sent out via email the week after April break. Dancers will have 1 month to learn their designated choreography off the video before attending the in studio rehearsals. Sections are short (about 30 seconds) and then there is a short section with bows that everyone will do together, so there are 2 short videos to learn. Dancers must attend at least one of the two mandatory rehearsals but preferably both. Please mark all rehearsals in your calendar upon receiving this schedule.

Tumble + Twirl dancers will learn their part in their designated classes weekly and will **NOT be attending any extra rehearsals in studio, they will just rehearse with everyone at dress rehearsal.*

Rehearsals will take place at the studio on either a **Saturday** or **Sunday** and will be broken into sections. All dancers will be assigned a group (see below) to evenly split dancers and assure there are performers in every group for all shows. These groups **CANNOT** be changed. Dancers will only perform the finale at their designated show(s). They are **NOT** expected to return for the show they aren't in.
