DRESS REHEARSAL SCHEDULE

All dancers must report to Gamm Theater at least 15 minutes prior to the start time of their designated session in their first costume, ready to dance (see time blocks on page 2).

Parents, please bring your child into the theater via the marked "Performer's Entrance" door to the left of the main/lobby entrance (under the Gamm Theater signage). This is the same way you will enter on show day. Parents may remain in the audience during dress rehearsal in any non-marked rows and can go to the dressing rooms to help change your performer into their next costume. Dressing room assignments are listed in the Annual Performance packet.

*There is a limit of 1 parent per dancer allowed at dress rehearsal, this is a closed rehearsal and not open to family or friends.

If you are late to rehearsal and miss your dance we will not be able to redo the rehearsal so please make sure you arrive on time. Dancers must be ready to dance at least 15 minutes prior to the start of their time block.

Performers should arrive dressed in their first costume to save time. Hair should be pulled back but does not need to be "performance ready" unless you are practicing for the show. Make-up is not required for dress rehearsal.

Performers will be sitting in the audience during dress rehearsal **in designated rows** with their class until they are called on stage for their dance. Parents may sit in any unmarked rows.
If you have multiple classes, please change promptly from one costume to the next and return to the audience as quickly as possible.

*The main dressing area is one large room with a single bathroom, dancers will need to be able to change in that open area. You can bring a pop up changing tent if you have one.

Once your performer has finished their last routine you are free to leave for the evening. **Please remember there is finale rehearsal** on top of your child's routine so you must either wait after your routine for the finale dance or you are arriving early to do the finale first.

Dancers should NOT eat or drink in costumes, there is no food allowed in the theater, please eat before or after dress rehearsal. For company dancers there for the entire dress rehearsal you may bring snacks* to eat in the lobby area ONLY.

NO NUTS/PEANUTS ALLOWED
